

Moultrie-Colquitt County Recreation Authority

JOB ANNOUNCEMENT

Position: Park Maintenance Groundskeeper

Starting Pay: Depending on Experience

General Nature of Work:

Under regular supervision, performs general maintenance and repairs to ballfields, parks, equipment, and other recreation facilities and grounds. Working alone and with other personnel, performs necessary assigned tasks to ensure that facilities are groomed and ready to accommodate scheduled activities, special events, and public access on a daily basis. Reports to the Park Maintenance Crew Leader.

Education, Training and Experience:

One to two years of experience in grounds maintenance or a related field preferred, or any equivalent combination of training and experience which provides the required skills, knowledge and abilities. Some experience in electrical, plumbing, irrigation and/or landscaping preferred. Experience maintaining turf grass, ballfields, or landscape equipment helpful. If selected, the successful applicant must successfully pass pre-employment drug/nicotine screening. Applicants must possess and maintain a valid State driver's license.

The Moultrie-Colquitt County Parks & Recreation Authority maintains a nicotine-free workplace.
