

PACKER STRONG STARTS WITH YOU

SPONSORSHIP OPPORTUNITIES

Why Sponsor?

Local sports thrive because of local support. Your sponsorship directly helps kids play, grow, and belong, while putting your business in front of the families who make up our community. Sponsors gain meaningful, positive brand exposure with hundreds of athletes, parents, and fans who value businesses that invest locally.

Our programs proudly serve as Packer feeder programs, with the iconic Packer Hog displayed on every jersey. These jerseys are worn with pride and seen well beyond the field—from Friday night football games to Saturday errands around town—giving your brand year-round, community-wide visibility.
